Attention: D. Wayne Hedberg

Reference: your letter, March 15, 2004

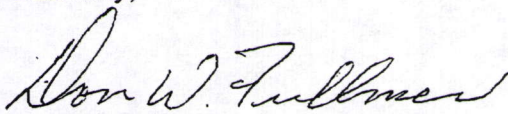

Subject: Tentative approval to commence large mining operations

Dear Mr. Hedberg:

This is to request an extension until April 27, 2004 to complete and submit the documents required by the referenced letter. As you know the mining plan has been subjected to a variety of reviews and correspondence over a period of years. The task of researching, assembling and updating it, has proven to be more complex and time consuming than anticipated. The requested extension will provide us an opportunity to do a better job.

The proposed extension was discussed with Lynn Kunzler of your office on April 16, 2004. This request is submitted in accordance with his instructions.

Sincerely,

Don W. Fullmer
President
